6. O.P.P. Report

- Detailed report for June, July and August was distributed prior to the meeting for review and to allow for effective discussion at the Board meeting
- Inspector Jason Younan provided a comprehensive overview and explanation of the report for the three-month period
- 949 occurrences were identified across South Huron during the reporting period – the summer months are typically a busier time of year
- Inspector Younan noted that the date on the second column of the Traffic stats should read 2022
- Drinking and driving has increased across the County and R.I.D.E. programs have also increased by 30%
- In 2021, there were 11 R.I.D.E. programs conducted in South Huron during this reporting period – In 2022 there were 32
- The 2023/2024 R.I.D.E. Program Application has been received and will be completed for submission
- Etickets continue to be issued roadside
- No particular focus patrols identified during this reporting period
- Enhanced communication with area business to address ongoing occurrences and incidents of property crimes on multiple occasions
- Inspector Younan applauded the good work of his members for their ongoing commitment to volunteerism and engagement in the community – Special Olympics, Touch the Truck
- As things start to open up, calls for service hours may be on the increase
- Inspector Younan shared that the Huron County Detachment was selected to assess the new OPP Service Delivery Model
- The new OPP Service Delivery Model is a member-informed and evidence-based framework for determining the correct staffing level at OPP detachments. It is a modern, scalable model that takes into account factors driving local demand for service such as calls for service, geography and occurrence types. It prioritizes operational demands and Officer health and wellbeing, and formalizes frontline resource levels for every OPP Detachment.
- The Service Delivery Model has identified the need to increase resources including frontline Constables, Sergeants and Special Constables for court offices. Additionally, these locations will see an adjustment in the current structure and scheduling to ensure community service needs are being met. Civilian regional and detachment administration support services are being modernized to align with current needs.

- To implement the new Service Delivery Model, the OPP has requested financial support from the Provincial Government directly. Decisions specific to municipal billing are not the responsibility of the OPP
- Chair Dietrich questioned how the increase in Officers to implement the new Service Delivery Model will impact the Contract – Inspector Younan stated that he will make those inquiries and report back to the Board
- Member Hartman noted that he enjoys seeing the Community involvement photos and the relationship and interaction with the Officer in the community
- Chair Dietrich thanked Inspector Younan for providing the report and for responding to member questions

Motion – 29/09/22

Moved by: Dave Frayne
Seconded by: Mark Hartman

“That the O.P.P. Report be received as presented.”

Disposition: Carried

7. Delegations

- Director of Legislative Services/Clerk, Rebekah Msuya-Collison provided a high-level overview of the Community Safety and Well-being Plan and steps to move forward
- Please refer to the documents shared with the Agenda Package dated September 13, 2022
 - Schedule A – Proposed Framework - September 2022
 - Schedule B – Memo to PSB September 2022 – Introduction – Sector Leads
 - Schedule C – Social Media Schedule 2022
 - 2022 – September – PSB Update CSWP
- Community Safety and Well-being Plans support safe and healthy communities through a community-based approach and seek to achieve a proactive, balanced and collaborative approach, as these complex issues cannot be addressed in isolation
- Four priority areas have been identified to address community safety and well-being in Huron County
 - Mental Health and Addictions
 - Housing and Homelessness
 - Domestic and Family Violence
 - Community Safety and Security
- Next steps will involve establishing an Oversight Committee, partnering with stakeholders presently in the County – interest has already sparked within the organizations and some have presently committed to joining the Oversight Committee
- The responsibility of the Oversight Committee would be to establish an implementation plan, monitor actions identified in the Plan and report back to the Advisory Committee
- Social media messages will be created and can be easily implemented and shared with each Municipality and across the County

- Social media messaging may be an initiative that the South Huron Police Services Board could successfully undertake
- Discussion centred around the Community Safety and Well-being Plan priority areas – specifically Priority #4 – Community Safety and Security
- For consideration, Inspector Younan suggested that the Board might consider investigating the possibility of purchasing a Speed Spy Unit that could be used in various areas of South Huron to assist with addressing speeding complaints
- A Speed Spy tool is an autonomous roadside data recorder designed to measure and record passing vehicle data
- It is a passive, low profile application capable of collecting data that will assist in monitoring traffic flow. The roads chosen to use the equipment are selected from public traffic complaints and identified through trends such as collisions, speeding and aggressive driving
- Speed Spy is a new technology that can assist in placing Officers at identified locations and times that are most effective for traffic enforcement
- The results could be shared on the website and would assist with enforcement
- This device is not meant to replace the existing traffic management equipment used to slow traffic, but to supplement the ability to allocate resources based on the data collected
- It was suggested that the Board reach out to Steve Lund for costing purposes
- Rebekah thanked the Board Chair and members for their continued support and assistance in moving the Community Safety and Well-being Plan forward
- Chair Dietrich noted his appreciation to Rebekah for sharing her passion, commitment and involvement with the development and ongoing roll out of the Community Safety and Well-being Plan

Motion – 30/09/22

Moved by: Dave Frayne
Seconded by: Mark Hartman

“That the Board investigate the costs to purchase a Speed Spy tool as a Community Safety and Security initiative, Priority #4 as identified in the Community Safety and Well-being Plan;

AND that an estimate to purchase a Speed Spy tool be presented at the next Board meeting for consideration in the 2022 Community Safety and Well-being Plan budget line identified for Community Safety and Well-being initiatives.”

Disposition: Carried

Motion – 31/09/22

Note to Detachment Commanders:

- The content of each report is to be shared by the Detachment Commander only with the municipality for which it was generated. The municipality may treat this as a public document and distribute it as they wish.
- All data is sourced from the Niche RMS application. Included are 'reported' occurrences (actuals and unfounded occurrences) for 'billable' occurrences ONLY. Data is refreshed on a weekly basis.
- The Traffic category includes motor vehicle collision (MVC) occurrences entered into Niche (UCR code 8521). MVCs are NOT sourced from the eCRS application for this report.
- Only the primary violation is counted within an occurrence.
- Time standards displayed are for the 2021 billing period.

Note to Municipalities:

- Data contained within this report is dynamic in nature and numbers will change over time as the Ontario Provincial Police continues to investigate and solve crime.
- This report is NOT to be used for crime trend analysis as not all occurrences are included.
- Data groupings within this report do not match traditional crime groupings seen in other public reports such as the OPP Police Services Board reports or Statistics Canada reporting.
