9. Correspondence

- No other correspondence received

10. New Business

- OAPSB Spring Conference and AGM – Toronto Airport Marriott Hotel – May 25, 26 & 27, 2022
- Introduction of Lisa Darling, Executive Director who was recently hired in the position for the OAPSB
- Focus of the Conference - Equity, Diversity, Inclusion and Anti-Racism
- Brief overview of Conference Content
- Topic: Modernizing Police Governance in Ontario
- The 2012 Morden Report challenged Police Boards in Ontario to modernize how they understand their responsibilities and how they conduct their business. Since it was published, the Toronto Police Services Board has made significant steps to realize this vision of a modernized Board – expanded on outcomes and how policing work is carried out
- Presentation and Video - Human Trafficking and Sexual Assault
- Human Trafficking and Sexual Assault in Wellington County was a one year, Community Safety and Policing Grant developed by Wellington County OPP, Victims Services Wellington, and Crime Stoppers Guelph Wellington. The aim of this grant was to raise awareness and reduce the stigma surrounding Human Trafficking and Sexual Assault, as well as providing training to Officers on Trauma Informed approaches. The grant partners had to find creative ways to reach the community through social media, radio, virtual and in-person presentations, and a video campaign to raise awareness, address myths and create an environment where people feel comfortable talking about uncomfortable subjects
- Policing 2023 and Beyond
- Discussion centred around critical issues facing policing today and into the future. Topics include Special Constables, New Technologies, Support & Resources and Community Confidence in Policing
- OPP Survey
- Introduction and background regarding the OPP survey in response to the Office of the Auditor General of Ontario Value Money Audit
- Survey to be completed by Section 10 Police Service Boards – deadline for submissions is June 30, 2022 – one survey per Board
- Cannabis Act
- Since legalization in 2018, the licensed cannabis market has grown steadily, but has not eliminated illegal production in Canada. Without any of the oversight or protective measures created to regulate and prevent potentially harmful chemical and microbiological exposures, unregulated cannabis producers continue to supply thousands of Canadians with illegal and harmful products.
- Ontario Provincial Police discussed recent projects looking at illegal cannabis products and

the harmful contaminants

- AGM and OAPSB Elections were conducted at the Conference
- Excellent conference – great networking opportunity
- Keynote speakers and facilitators were informative, inspiring and well informed
- OAPSB Zone 5 meeting was held virtually on Tuesday, June 07, 2022 at 9:30 am – Powerful presentation by Waterloo Police Service surrounding Human Trafficking
- Police Services Board Survey for Section 10 Boards
- Purpose is to gather stakeholder input on information that may be of value to support the development of goals and objectives and decision making
- Enhance reporting – identify opportunities to enhance existing metrics and value
- Survey to be completed by June 30, 2022 – completed and submitted June 14, 2022

11. Unfinished Business

- Nothing to report at this time

12. Date of Next Meeting

Next meeting of the Police Service Board will be held at the South Huron Municipal Office on Tuesday, August 09, 2022 at 4:05 pm or at the call of the Chair.

13. Adjournment

Motion – 26/06/22

CANADA ROAD SAFETY WEEK RESULTS FOR HURON COUNTY OPP

Huron OPP Sees Two Fatal Collisions During Traffic Safety Campaign

(HURON COUNTY, ON) – Huron County Ontario Provincial Police (OPP) officers were very busy during the recent Canada Day Road Safety Week campaign that ran from June 25, 2022, to July 3, 2022. Officers paid close attention to the "Big 4" causal factors in serious collisions on OPP patrolled roadways; Impaired Driving, Distracted Driving, Aggressive Driving and Failing to Wear a Seatbelt.

Huron County OPP officers laid a total of 226 charges during the campaign.

164 - Speeding
7 - Failing to Wear a Seatbelt
1 - Impaired Operation

Huron County OPP also investigated a total of 34 crashes during the campaign. 12 of those crashes were with animals, eleven with deer and one with a coyote. Some of the other noteworthy crashes included two fatal crashes. One involved a 17-year-old cyclist that was struck and killed on Crediton Road. The second fatal crash involved a vehicle that collided with a bridge abutment on Rodgerville Road. A 27-year-old driver died in the crash.

Additionally, a motorcyclist sustained life-threatening injuries after he collided with a deer, a 19-year-old was served with a 3-day driver's licence suspension after she drove into a ditch after drinking alcohol and there was also a collision involving a horse and buggy that was struck by a vehicle.

"Despite the high levels of visibility and enforcement we still experienced some very serious crashes during the campaign, two of which were fatal. Our primary goals remain the same during our traffic safety campaigns - Provide a high level of awareness, visibility, and enforcement to reduce serious collisions on our roadways. And secondly, to target those drivers that put others at risk. Every single driver must do their part to help prevent these deadly crashes by driving in a safe and responsible manner."

HURON COUNTY OPP PARTICIPATES IN COMMUNITY EVENTS

(HURON COUNTY, ON) – Huron County Ontario Provincial Police (OPP) officers and members of the Huron County OPP Auxiliary Unit were busy last weekend participating at two community events, one in Goderich and the other in Clinton.

On Canada Day, off-duty OPP officers along with volunteers and athletes from Special Olympics Ontario held a very successful fundraising BBQ. The event was hosted at Corrie's Foodland in Clinton. The BBQ raised \$879 for local Special Olympians. In addition to those funds raised, the Corrie family also made a very generous donation to the cause.

Figure 1- Cheque Presentation from Jeff Corrie, Dave Corrie and Kathy Herd to Sgt. Russ Nesbitt

"The fundraising BBQ was a huge success today. I would like to thank all the volunteers and everyone that stopped by for their ongoing support. And I would especially like to recognize and thank the Corrie family for hosting the event and being such generous donors to the charity. It was a fun day, with lots of laughs & smiles, and all for a great cause"

Huron County OPP Sergeant & Torch Run Coordinator - Russ Nesbitt

On Saturday, July 2, 2022, Huron County OPP Auxiliary members had the pleasure of interacting with hundreds of children that came out for a "Touch the Truck" event in Goderich. Children of all ages had the opportunity to climb in and check out the emergency vehicles, excavators, and other cool trucks that filled the Suncoast Mall parking lot.

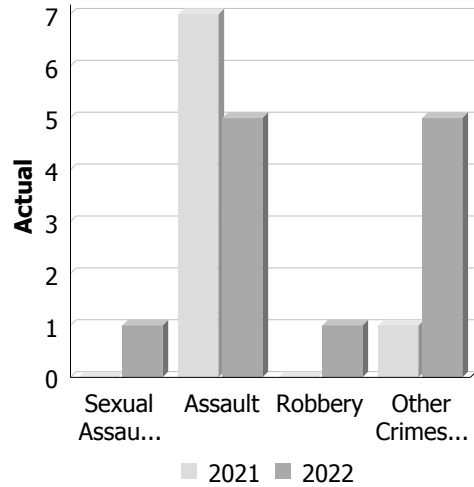

"What a great event, we had so many children over checking out our cruisers we actually ran out of fun books and stickers. I know the kids had a great time and so did our officers. To be able to engage with youth in such a positive light is vitally important, I want to thank Bruinsma Excavating for hosting this well-organized event for the community"

Huron County OPP Auxiliary Staff Sergeant - Wayne McConnell

Staff Memo

To: Police Services Board
From: Rebekah Msuya-Collison, Clerk
Date: September 6, 2022
Re: Community Safety and Well-Being Plan - Update

The purpose of this update report is to update the South Huron Police Services Board on the current status of South Huron's Community Safety and Well-Being Plan and:

1. to request that the Board review and provide feedback on the proposed framework (Schedule "A"); and
2. to request that the Board forward the request for Oversight Committee member to the Huron OPP Detachment for the Huron County Community Safety and Well-Being Plan (CSWBP) Oversight Committee (Schedule "B"); and
3. to request that the Board review and provide feedback on the social media schedule (Schedule "C").

Background

Since the last update to the Board in November of 2021, the working group has met several times. In February of 2022, there was a discussion on municipal budgets for the plan and it was noted that many of the lower tier municipalities have put funds in their budget for CSWP which range from five thousand to ten thousand for 2022. There was also a discussion that groups like the Ontario Health Team (OHT) that are doing similar plans and to collaborate with these groups that already have working groups that are already are collecting data. There was a further discussion on various groups that may align with the working group for mental health concerns, housing and lower income needs.

At that meeting there was presentation from Laura O'Rourke. Laura provided an overview of Destination: Prosperity, an initiative of the Poverty to Prosperity Coalition of Huron, supported by the Huron Perth Public Health and funded by United Way Perth-Huron. This project started in 2016 and invites women to become engaged in enhancing the quality of life in their community and invite service providers to make changes in the way they provide services as the local level. There are six communities in Huron County that are supported through this project. These communities include Huron Park, Dungannon, Brussels, Vanastra, Blyth and Hensall.

In March of 2022, the working group met and Barbara Hall from Huron County Housing and provided the working group with a highlevel overview of housing and homelessness initiatives the County has underway. Pam Hannington from Huron Perth Public Health (HPPH) also attended the meeting and provided information on Huron and Area anti-poverty coalition – Poverty to Prosperity. She noted that the group was established in 2014 and gave an overview of the mission and vision to end poverty in Huron County and area and have healthy inclusive communities. She noted ongoing community development projects funded by Perth Huron United Way and hosted by HPPH.

The working group for the Huron County Community Safety and Well-Being Plan met on August 2, 2022 to discuss the current status of the plan. The plan has the following priority areas:

1. Mental Health and Addictions
2. Housing Stability and Homelessness
3. Domestic and Family Violence
4. Community Security

Draft Framework

The working group reviewed the draft framework that is being provided to the Police Services Board as Schedule “A” and approved it in principle. The thought process was that municipalities should collaborate and use existing organizations to reduce duplication and ensure communication between stakeholders and the municipality. The draft framework does not contain an exhaustive list of existing bodies and this list is a living document that can be changed as the situation warrants.

The importance of asking that stakeholders have the Community Safety and Well-Being Plan on the agendas was considered a priority as this was identified as being a current communication gap. The working group would like to have the collaborating sectors try to keep a community safety and well-being lens on their discussions to ensure that these organizations discuss the plan itself, look for opportunities for municipal collaboration and create an opportunity for further dialogue.

It was discussed that the “Oversight Committee” would be established which would meet quarterly that each municipality would reach out to a sector listed in the requirements for an Advisory Committee and request a member for the oversight committee. It was also discussed that each municipality may have it’s own implementation team and/or sub-committee if deemed necessary depending on the project separate and apart from the oversight committee.

The working group is hoping to have an appointee by the end of November, with a report to go to Council for the new term of Council. South Huron was given the Police Service Board or Detachment Commander sector to request for representation.

Please note that the draft framework is for discussion at this point and staff would like Board feedback prior to taking the framework to the new term of Council.

Social Media Schedule

At the August meeting, there was also discussion on communication being a vital requirement for the plan. There were preliminary discussions on a website or Community Safety and Well-Being webpages and/or other communication strategies that may have future budget implications that should be further discussed at the next meeting.

At this time, the group felt that what we could do was prepare a social media schedule that each municipality could share on their own platforms and webpages. The idea would be to have some consistent messaging and then let each municipality have their own approach with the social media messaging (which may be tied to their own priorities).

The attached Schedule is a preliminary draft only and staff would like input from South Huron Police Services Board and/or OPP. The schedule is proposed for the balance of the 12 weeks in 2022 and includes the dates, themes, information, and images for most of the topics. I believe there is at least one or two posts for each of our 4 priority areas.

Huron County Community Safety and Well-Being Plan (CSWBP)

NOTE: the following information is from the “Community Safety and Well-Being Planning Framework, Booklet 3, V2”.

It is important to remember that the CSWBP situates itself with many other strategic initiatives currently being undertaken by organizations, committees, task forces within the County.

Advisory Committee

- Should, at a minimum, consist of the following representation:
 - o An employee of the municipality of First Nations community
 - o A person who represents the education sector
 - o A person who represents the health/mental health sector
 - o A person who represents the community/social services sector
 - o A person who represents the children/youth services sector
 - o A person who represents an entity that provides custodial services to children/youth
 - o A person who represents the police service board or a Detachment Commander

Implementation Teams

- For each priority risk determined by the Advisory Committee, if possible and appropriate, an implementation team should be created **or leveraged** to implement strategies (e.g. programs or services) to reduce the risk
- A small community may not require an implementation team if the Advisory Committee can effectively address the risks
- **Members of Implementation Teams**
 - o Selected based on their knowledge of the risk factors and vulnerable groups associated with the priority and have access to relevant information and data
- **Responsibilities** – establish an implementation plan, monitor actions identified in the plan, and report back to the Advisory Committee

Existing Body Inventory

Proposed Structure Moving Forward

Advisory Committee

1. To meet quarterly – each meeting we can have updates on 2 of the risk priorities identified:
 - a. Mental Health and Addiction
 - b. Housing Stability and Homelessness
 - c. Domestic and Family Violence
 - d. Community Security

2. Comprised of the following:
 - a. At least 1 representative from each municipality
 - i. 9 persons – to be appointed by Council

 - b. At least one person from education sector
 - i. A representative from AMDSB and/or the Catholic School Board
 - ii. A representative from REACH
 - iii. A representative from the Centre for Employment & Learning

 - c. At least one person from the health/mental health sector
 - i. Michelle Carter, HP Drug Strategy
 - ii. Pam Hannington, Huron Perth Public Health (LEEP, Poverty to Prosperity)
 - iii. A representative from Choices for Change
 - iv. A representative from a Family Health Team

 - d. At least one person from the community/social services sector
 - i. Joelle Lamport-Lewis, United Way
 - ii. Barbara Hall, Huron County – Housing and Homelessness
 - iii. A representative from DART – Domestic Assault Review Team

 - e. At least one person from the children/youth services sector
 - i. A representative from Rural Response for Healthy Children
 - ii. A representative from the Huron Perth Centre

 - f. At least one person from a custodial services to children/youth
 - i. A representative from Youth Justice Steering Committee (ie. Salvation Army, probation, Crown Attorney)

 - g. At least one person from the police service board or a Detachment Commander
 - i. Andrew MacIsaac, Detachment Commander or appointee
 - ii. Person(s) from the police service board once formed and appointed to the Committee

As suggested, this Advisory Committee would meet quarterly to be updated on initiatives being undertaken in our community/County by the various other committees, organizations, action

tables that are already in place within Huron County. They would be information sharing sessions. In turn, each representative from the various municipalities would provide information to their respective Council. Members of the Advisory Committee would not have to attend every meeting if they were not presenting an update unless they wished to listen to the other presentations. This would alleviate the need for multiple Advisory Committees sitting at a municipal level engaging much of the same 'Champions' from the various sectors.

The Advisory Committee would also work together to form a Communication Strategy much like Perth County's Communication Strategy going forward, based on information received from Existing Bodies. Additionally, a Huron County CSWBP website would be beneficial and could be a collaborative effort.

Implementation teams/Municipal Coordinator

- can be set up municipally or across municipalities, depending on the issue being addressed and the level of involvement each municipality wants to engage in.
Ie. South Huron, Central Huron and Goderich may wish to collaborate with respect to homelessness.
- Supervised, monitored or led by the municipality's member of the Advisory Committee
- Responsible for enacting communication strategy set out by Advisory Committee at their respective municipality
- May proceed with some/all/none of the suggestions brought forward by members of the Advisory Committee
 - o Ie. LEEP may wish to hold community engagement sessions to recruit more members
 - o Ie. Housing and Homelessness may wish for local municipalities to identify lots available for supportive housing
 - o Youth Justice could suggest Christmas Pop-Up shops be held in all communities
 - o Poverty to Prosperity may indicate need for all communities to hold major food drives

Let the Existing Bodies (ie. LEEP, Huron Perth Drug Strategy, Huron County Homelessness and Housing, Youth Justice Committee) identify initiatives they are working on (they have the grant money!!) to the Advisory Committee, which brings it back to the Municipal Coordinator/Implementation Team for action, if any.

11	December 6 th	The National Day of Remembrance and Action on Violence Against Women	Huron County OPP Victim Services of Huron County Huron Domestic Assault Review Team	3	The National Day of Remembrance and Action on Violence Against Women is about remembering those who have experienced gender-based violence and those who we have lost to it. It is also a time to act. Achieving a Canada free from gender-based violence requires everyone living in this country to educate themselves and their families and communities on gender-based violence, centre the voices of survivors in our actions and speak up against harmful behaviours.	 <p>Source: https://www2.ocadu.ca/news/december-6-moment-of-silence-at-11-am</p>
